PRESS RELEASE

The Management Plan Debate

In period of December 17-19, Environmental Protection Agency of Bihor County organized 3 workshops: The Debate of the Management Plan for the bat species and specific habitats for bats, the debates took place: at 17.12.2012 in Oradea, 18.12.2012 – in Sudrișiu and 19.12.2012 in Roșia. To these meetings were invited local stakeholders (land owners, local peoples, associations of owners) by posting the invitations on the information board at local authorities and forestry departments from the project area and also were invited local authorities and direct invitations sent by email and fax to decision factors (custodians, administrators of Natura 2000 sites, local governments - municipalities, institutions with the decision responsibility, NOGs). The 3 meetings attended 95 people.

This activity is part of the project “**Bat conservation in Pădurea Craiului, Bihor and Trascău Mountains**”, LIFE+ Nature and Biodiversity, co-financed by the Life Programme of the European Union.

More information on this project is available on the website www.batlife.ro
